## WEEK OF SPIRITUAL EMPHASIS

Our week of spiritual emphasis is being led by our newly-elected Student Association officers. Our theme this coming week will be healthful living. Several activities will allow the students to demonstrate their commitment to honor their bodies as the living temple of God.

### FAMILY DINNER

On Tuesday, our first and second graders enjoyed dinner with their families and their classmates. Over 100 persons were in attendance. Thank you to everyone who came and participated. And a big thank you to home-and-school leaders and staff for doing such a great job!

### FIELD TRIP SHIRT

Some students still do not

have an appropriate field trip shirt with the school name on it. **A plain wine colored shirt is not a field trip shirt.**

Students are NO longer required to wear their field trip shirt to chapel.

### SCIENCE CENTER

All students in grades K-10 visited the Science Center in Baltimore this week. From the comments heard, everyone seemed to have a great time. Parents, if you are willing to help chaperone during a field trip off campus, let your child's teacher know and they will contact you when there is a need. Thanks!

### REASONS TO CELEBRATE

- ◆ Our new landscaping is almost finished around the modular classroom.
