## BASC

Before and after school care charges for August will be combined with the September charges and added to the October statement. For each month thereafter, only a single month's charges will be on the statement.

## FIELD TRIP SHIRT

I apologize for the difficulty that some of you seem to be experiencing in getting the field trip shirt. I spoke with Greg at the Dennis Uniform shop this morning. He is aware that our students must have the wine-colored uniform shirt for school pictures on September 6. He has assured me that he will restock the shelves with the Atholton logo shirts by September 5.

If you go to the store and do not find what you want, please ask for Greg. It only takes 30 seconds to logo a shirt, so if one is not on the shelf, he will quickly make one for any Atholton student.

## SALLY FOSTER

Remember to keep those Sally Foster orders going. We hope to have a great return on our effort. Remember that relatives can go online and order items also.

First prize winner will receive a \$50 cash prize, second a \$25 cash prize, and third a \$15 cash prize.

## SCHOOL PICTURES

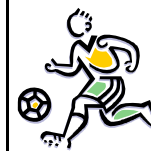

School pictures will be taken on September 6. Since these pictures will be used in the yearbook, all students will be photographed whether parents buy pictures or not. The field trip shirt is required for these pictures

No one is required to pay for any pictures, but if you plan to

purchase you must return envelope and payment to school by September 6.

Additional clothing may be sent to use for a second sitting. Teachers will not have time to assist children with changing clothes, so if younger children are planning to have a second sitting we could really use help to assist the young ones with changing outfits.

## AFTERNOON SPORTS PROGRAM

Randy Nomura met with new parents and students yesterday to go over details of the afternoon sports program. If your child (new or returning) is planning to be involved in the

*(Continued on back of page)*

sports program, look for information coming from Randy Nomura in the next few days.

Please note that in order to fund the sports program and to provide for the extra supervision necessary to accommodate the sports program, there will be a charge for all students staying on campus for the sports activities. The charge will be \$3.25 for each day your child has games or gymnastics scheduled.

### **REASONS TO CELEBRATE**

We passed our county inspection yesterday for the footers for the new modular classroom. If you watch in the next few days you will see the piers that support the building being installed. The modular classroom is scheduled to arrive next Wednesday.

### **HOME AND SCHOOL**

Please note that the first family dinner has been rescheduled for September 18 at 6:00 pm. The first group invited will be our pre-kindergarten and kindergarten families. Grandpas and grandmas are also welcome.

See you there!
